Learning Rooms Outdoors

Autumn 1

Autumn Letter Hunt

Use seasonal natural materials for literacy. Collect leaves, conkers or acorns and write letters on them. Mix them up, hunt for matching pairs or create short words.

Full details here

Learning Rooms Outdoors

Autumn 1

Conker Rolling

Physics fun with conkers! Investigate gravity and friction related to seed dispersal as you time how long it takes for conkers to travel down a slope.

Details, video and labels here
